

## Vision Ahead

NPTI is planning to start e-Learning MBA programme in Power Management through Distance Education and also one year Executive MBA programme in Power Management to facilitate larger availability of qualified and trained manpower in power sector. We are also planning to start new training programs on Renewable through Public Private Partnership Model shortly at our various Regional Centres.

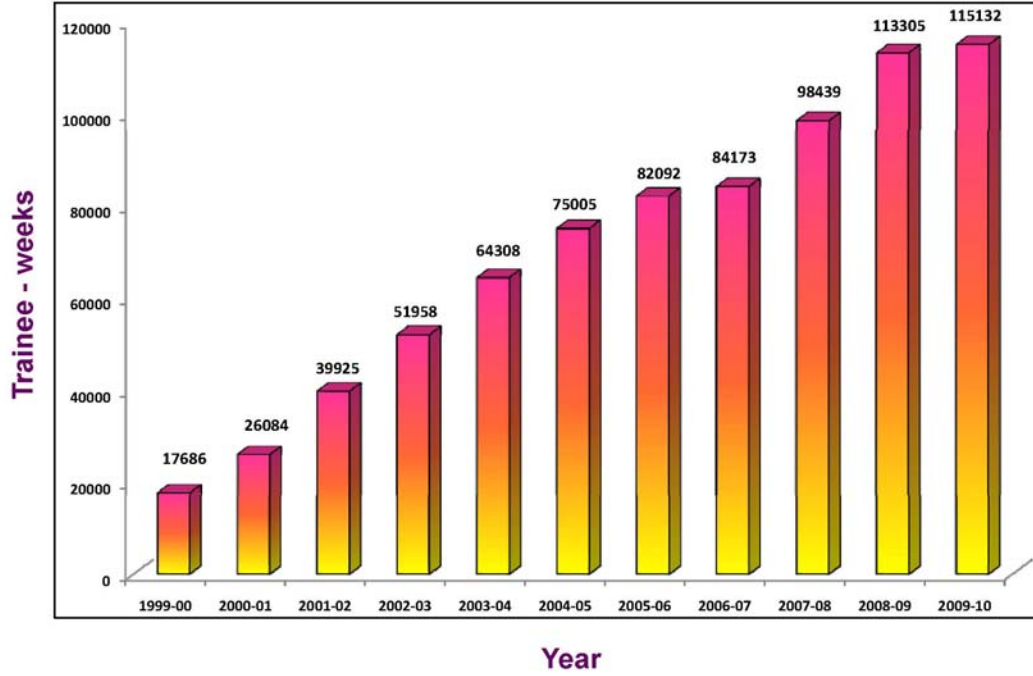

## Achievements & Performance

Since the inception of its first Institute in 1965, NPTI has so far imparted training to more than 1,65,000 personnel from Central PSUs, SEBs, Power Utilities and Private Sector organizations. About 9,100 operation engineers have been imparted effective integrated unit operation training on the Simulators available with NPTI.

The performance figures of NPTI are given in graphs below.
